

Professional Electrical & Mechanical Engineers

INTRODUCTION

Selanya Consulting Engineers (Pty) Ltd is a wholly black-owned company registered in 2002 to carry out business as professional electrical and mechanical consulting engineers. The firm offers electrical and mechanical engineering consultancy services in infrastructure development to the construction and building services industry and to the electrical power utilities.

The firm is committed to providing professional engineering services to meet the diversified requirements of its clients in the private and governmental sectors. Selanya Consulting Engineers is a Member of a number of professional organizations, including:

- **Consulting Engineers South Africa (CESA)**
- Green Building Council of South Africa (GBCSA)
- Fire Protection Association of Southern Africa (FPASA)
- Building Services Research & Information Association (BSRIA)
- Illumination Engineering Society of South Africa (IESSA).

Selanya Consulting Engineers has B-BBEE status as a **Level 1 Contributor** (135% Recognition Level) as confirmed after the verification process was concluded by a SANAS accredited Verification Agency, based on the DTI B-BBEE Codes of Good Practice.

The Quality Management System of Selanya Consulting Engineers has been assessed by Moody International and found to be compliant with the requirements of **ISO 9001:2008** (Certificate No: 23110811001).

RESOURCES

The principals of the firm are all fully qualified and experienced professional engineers capable of managing large projects and are registered with the **Engineering Council of South Africa (ECSA)**.

The involvement of the principals in the projects, from inception to completion, ensures that their experience and expertise is channeled to achieve the client's objectives in the most expedient and cost effective manner.

The principals and engineers of Selanya Consulting Engineers are members of the following professional institutions:

- South African Institution of Mechanical Engineering (SAIMEchE)
- South African Institute of Electrical Engineers (SAIEE)
- South African Black Technical & Allied Careers Organisation (SABTACO).

- South African Institute of Refrigeration & Airconditioning (SAIRAC)
- American Society of Heating, Refrigerating & Air-Conditioning Engineers (ASHRAE)
- Chartered Institution of Building Services Engineers (CIBSE)
- American Society of Plumbing Engineers (ASPE)
- National Fire Protection Association (NFPA)
- International Association of Elevator Engineers (IAEE)

VISION: To become an internationally renowned engineering consulting firm respected for excellence in high quality engineering service and delivery.

MISSION: To provide innovative and cost effective solutions to the satisfaction of our clients with commitment to high professional and ethical standards.

VALUES: ♦ Excellence ♦ Quality Service ♦ Reliable Delivery ♦ Innovation ♦ Integrity

PROFESSIONAL SERVICES

The scope of professional services comprises:

- Feasibility Studies & Reports and Planning Proposals
- Concept and Detailed Project Designs & Drawings
- Equipment Selection & Specifications
- Economic Evaluation & Cost Estimation
- Tender Documentation & Tender Adjudication
- Contract Administration, Construction Monitoring & Engineering Project Management
- Testing, Commissioning & Quality Reports
- Close-out and Maintenance Documentation
- Technical Audits & Building Surveys

The professional services offered include those listed below for different types of facilities such as: Commercial Office Buildings • Residential Housing • Shopping Centres • Industrial Buildings & Factories • Schools, Colleges & Universities • Hospitals, Clinics & Laboratories • Sports & Recreation Facilities • Hotels & Lodges.

Electrical & Electronic Engineering

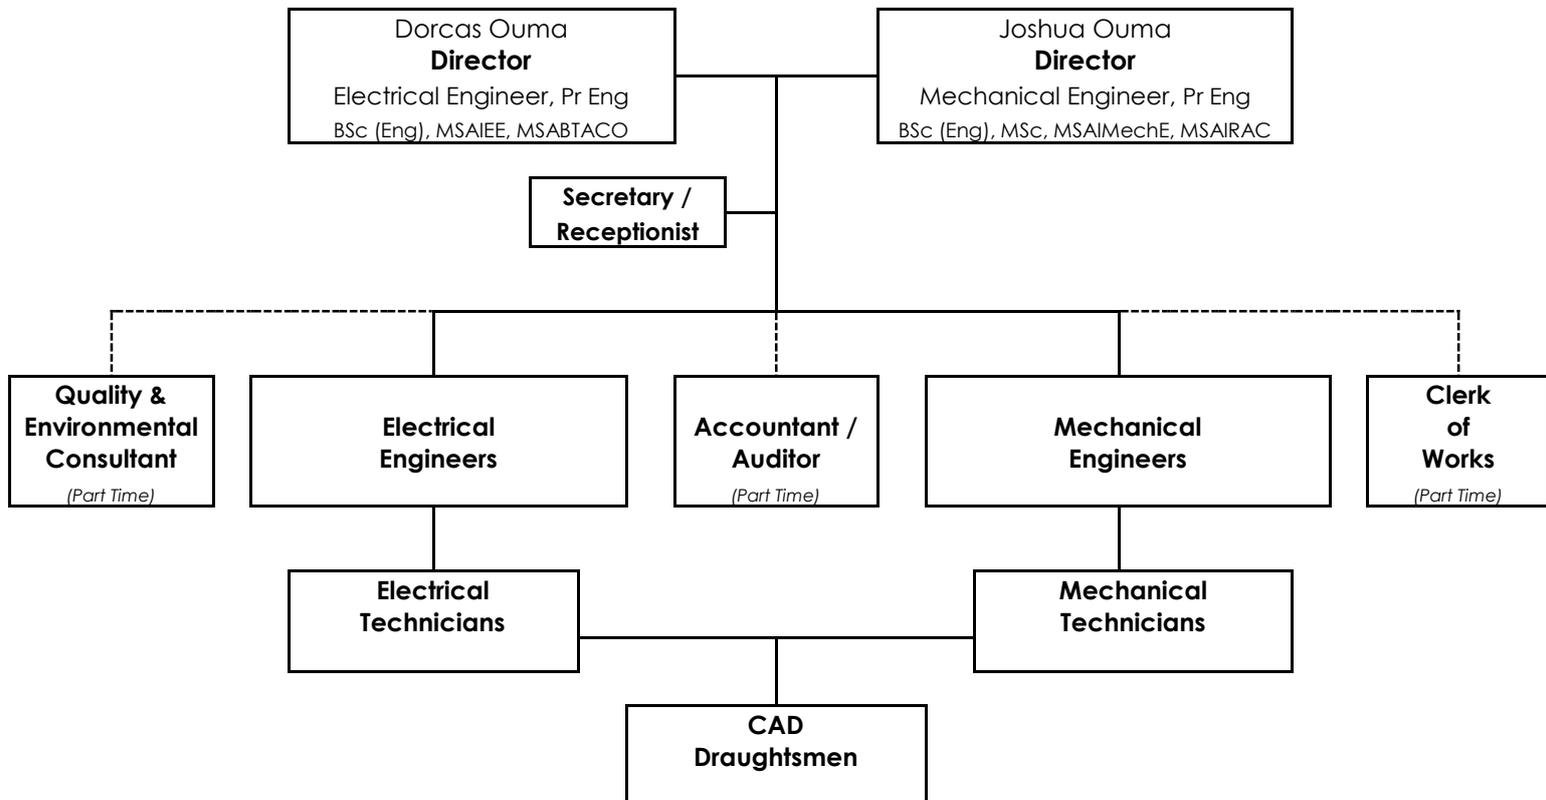

- ⊕ Electrical Infrastructure Development
- ⊕ Electrical Reticulation & Distribution
- ⊕ Substation and MV lines Design & Management
- ⊕ Electrical Transmission & Distribution Networks
- ⊕ Municipal & Township Reticulation
- ⊕ Street Lighting & Area Lighting
- ⊕ Standby Generators & UPS
- ⊕ Lightning Protection
- ⊕ Voice & Data Infrastructure
- ⊕ Access Control, Security & CCTV Systems
- ⊕ Fire Detection & Alarm Systems
- ⊕ Solar Photovoltaic (PV) systems

Mechanical Engineering

- ⊕ Heating, Ventilation & Air Conditioning Systems (HVAC)
- ⊕ Refrigeration Systems
- ⊕ Wet Services (Plumbing & Drainage; Solar Water Heating systems)
- ⊕ Fire Protection Systems
- ⊕ Piped Gas Installations
- ⊕ Elevator & Escalator Installations
- ⊕ Building Management Systems (BMS)

COMPANY STRUCTURE

Selanya Consulting Engineers has the expertise and experience to efficiently design and specify a range of engineering services according to the requirements of the project.

Company Details

Address: P.O. Box 561, Bedfordview, 2008 • 15 Millard Road, Bedfordview, 2007

Company Registration No: 2002/012237/07

VAT Registration No: 4650213467

Professional Indemnity: R 10 million - AON South Africa (Pty) Ltd | Risk Solutions

CURRICULUM VITAE

Name : **Dorcas Ouma**
Current Position : **Director**
Nationality : **South African**

Professional Qualifications

Registered Professional Engineer (Pr Eng) 
Engineering Council of South Africa (ECSA) professional registration No 20010119

Professional Membership

South African Institute of Electrical Engineers (SAIEE) (Member No 9263)
Illumination Engineering Society of South Africa (IESSA) (Member No JHB OUM001)
South African Black Technical & Allied Careers Organisation (SABTACO) (No 0310041)

Academic Qualifications

Bachelor of Science in Electrical Engineering, BSc (Elec Eng)

Professional Experience Summary

Ms Ouma has 21 years' experience in the field of electrical engineering.
Her experience includes:

- ✦ Electrical building services design and infrastructure development in the commercial, industrial, retail, health, education, leisure and governmental sectors
- ✦ Substation and MV lines design and electrical transmission & distribution networks
- ✦ Medium and low voltage reticulation to townships, industrial and commercial parks
- ✦ Associated electrical services systems including telephone & data; earthing & lightning protection; security CCTV & access control systems; fire detection & alarm.
- ✦ Solar Photovoltaic (PV) systems
- ✦ Feasibility studies on various electrical services from concept and planning through to detailed design, contract administration and project management
- ✦ Liaison and consultation with clients to define engineering brief and establish requirements
- ✦ Cost estimation and equipment selection
- ✦ Specifications, tender documentation and tender evaluation
- ✦ Construction monitoring
- ✦ Testing and commissioning reports
- ✦ Review and approval of O&M manuals
- ✦ Post contract/tenant related work, maintenance assessment

Employment Record

2004 to date	Selanya Consulting Engineers, Director
2002 – 2004	PD Naidoo & Associates Consulting Engineers, Associate Director
2001 – 2002	WSP Consulting Engineers, Senior Electrical Engineer
1994 – 2001	Claassen Auret Inc Consulting Engineers, Project Engineer
1992 – 1994	M&E Consulting Engineers, Swaziland, Electrical Engineer
1991 – 1992	M&E Consulting Engineers, Lesotho, Graduate Electrical Engineer

Name : **Joshua Ouma**
Current Position : **Director**
Nationality : **South African**

Professional Qualifications

Registered Professional Engineer (Pr Eng) 
Engineering Council of South Africa (ECSA) professional registration No 20010214

Professional Membership

South African Institution of Mechanical Engineering (SAIMechE) (Member No 700325)
South African Institute of Refrigeration & Airconditioning (SAIRAC) (Member No 2706)
Chartered Institution of Building Services Engineers (CIBSE) (Member No 036017)
American Society of Plumbing Engineers (ASPE) (Member No 36936)
National Fire Protection Association (NFPA) (Member No 2708694)

Academic Qualifications

Master of Science in Building Services Engineering, MSc
Bachelor of Science in Mechanical Engineering, BSc (Mech Eng)

Professional Experience Summary

Mr Ouma has 26 years experience in the field of mechanical building services engineering and management and infrastructure development for private organizations and government. His experience includes:

- ✦ Design of mechanical engineering services:
 - Air conditioning & mechanical ventilation (HVAC)
 - Wet services (plumbing & drainage; solar water heating systems)
 - Fire protection systems
 - Building management systems (BMS);
 - Lifts & escalators
- ✦ Feasibility studies on various mechanical services from project definition, concept and planning through to detailed design, contract administration and project management
- ✦ Liaison and consultation with clients to define engineering brief and establish requirements
- ✦ Cost estimation and equipment and plant selection
- ✦ Tender documentation, specifications and tender evaluation
- ✦ Construction monitoring
- ✦ Testing and commissioning reports
- ✦ Review and approval of O&M manuals
- ✦ Post contract/tenant related work, maintenance assessment

Employment Record

2005 to date	Selanya Consulting Engineers, Director
2002 – 2005	Cell C (Pty) Ltd, Manager – Infrastructure Management
2000 – 2002	Mobile Telephone Networks (MTN), Mechanical Engineer
1998 – 2000	K Bakker Associates Consulting Engineers, Mechanical Engineer
1995 – 1997	Spoormaker & Partners Inc Consulting Engineers, Project Manager
1994 – 1995	B.N. Buziba & Associates, Senior Mechanical Engineer
1987 – 1994	M&E Consulting Engineers, Mechanical Services Engineer

PROJECTS

The projects listed below comprise of projects carried out by Selanya Consulting Engineers:

Project Description	Value (Electrical or Mechanical Services)	Year Completed
• Mpumalanga New University, Electrical & Mechanical Services, for the University of the Witwatersrand		Ongoing
• Westgate Public Environment Upgrade, Electrical Services, for Johannesburg Development Agency (JDA) [Phase 3]		Ongoing
• New Classrooms, Computer Labs, Workshops, Student Hall and Cafeteria at 6 campuses in Gauteng, Electrical & Mechanical Services, for South West Gauteng College		Ongoing
• New Villa Liza Clinic, Electrical, Mechanical & Fire Protection Services for Ekurhuleni Metropolitan Municipality		Ongoing
• Harpur Avenue Residential Development, Benoni, Electrical, Mechanical & Fire Protection Services, for Indigo Kulani Group		Ongoing
• South African Police Services (SAPS) Priority Program, for National Department of Public Works		Ongoing
• Xperien Workshop, Electrical, Mechanical & Fire Protection Services, for Xperien		Ongoing
• Customer Care Centres: Benoni, Boksburg, Brakpan, Katlehong, Kempton Park, Electrical, Mechanical & Fire Protection Services, for Ekurhuleni Metropolitan Municipality		Ongoing
• Pretoria Gardens Accommodation Residential Development, Electrical, Mechanical & Fire Protection Services, for Echo Canyon Trading		Ongoing
• Heidelberg Prison New School, Electrical & Mechanical Services, for National Department of Public Works		Ongoing
• Driehoek Office Block, Electrical, Mechanical & Fire Protection Services, for Ekurhuleni Metropolitan Municipality		Ongoing
• Ward 21 Clinic Building Upgrade, Hillbrow Health Precinct, Mechanical & Fire Protection Services, for Wits Reproductive Health & HIV Institute (WRHI)		Ongoing
• Provision of Electrical Services as part of joint venture for programme & project management support for the implementation of the Neighbourhood Development Partnership Grant (NDPG) within the West Rand District Municipality over 3 years		Ongoing
• Repair and Maintenance Programme for Electrical and Mechanical Installations at Diepkloof Prison, for National Department of Public Works	R17.0m	Nov 2013
• Slovoville Primary School, Electrical, Mechanical & Fire Protection Services, for Gauteng Department of Infrastructure Development (GDID)		Oct 2013
• Maritime School of Excellence, Durban, Mechanical Services, for Blue Quartz International, for Transnet		Sep 2013
• Renovations and Alterations to the Market Theatre, Newtown, Johannesburg, Mechanical & Electrical Services, for the Market Theatre Foundation	R 2.0m	Sep 2013

Project Description	Value (Electrical or Mechanical Services)	Year Completed
• Implementation of Back-Up Standby Generators Power Supplies: Nigel and Devon Correctional Centres, for National Department of Public Works	R 4.0m	August 2013
• Grade R Classrooms for 38 Schools in Gauteng Schools, Electrical Services, for Independent Development Trust (IDT) (Gauteng Department of Education)	R 4.8m	July 2013
• Ablution Blocks for 41 Primary Schools in Gauteng (Soweto, Soshanguve & Mabopane), Electrical Services, for Independent Development Trust (IDT) (Gauteng Department of Education)	R 2.9m	July 2013
• Westgate Public Environment Upgrade, Electrical Services, for Johannesburg Development Agency (JDA) [Phase 1 & 2]	R 12.0m	May 2013
• Newclare Roads Street Lighting Upgrade, for Johannesburg Development Agency (JDA)	R 1.1m	May 2013
• Sterkfontein Psychiatric Hospital – Ward 16, Mechanical & Fire Protection Services, for DJP Power Services, for Gauteng Department of Infrastructure Development (GDID)	R 2.8 m	On hold
• Aveng Grinaker-LTA Head Office Refurbishments, Jet Park, Electrical Services: North Building, Centre Building, South Building, HT Switchgear and Standby Generators	R 6.1 m	On hold
• Thokoza Tourism Heritage Exhibition and Visitor Information Centre, Electrical, Mechanical & Fire Protection Services, for Ekurhuleni Metropolitan Municipality	R 1.5 m	On hold
• Relela Clinic and Bugerrecht Clinic, Limpopo Province, Primary Health Care Facilities Upgrade Program, Mechanical & Electrical Services, for Independent Development Trust (IDT)	R 3.4m	Mar 2013
• New Warehouse at Gemiston Stores, Driehoek, Electrical, Mechanical & Fire Protection Services, for Ekurhuleni Metropolitan Municipality	R 2.3m	Mar 2013
• Repair and Maintenance Programme for Boilers and Steam Distribution Pipework Installations at Diepkloof Prison, for National Department of Public Works	R 18.0m	Feb 2013
• Street Lighting for REA VAYA Bus Rapid Transit (BRT) Project Phase 1A for Johannesburg Development Agency (JDA)	R 29.0m	2012
• Inner City Commuter Links, Johannesburg CBD, Electrical Services, for Johannesburg Development Agency (JDA)	R 12.0m	2012
• Construction of REA VAYA BRT Stations CBD21, NF006, NF012, & NF017 in Johannesburg CBD and Soweto, Electrical Services, for Johannesburg Development Agency (JDA)	R 5.9m	2012
• Eight Schools in Kwazulu Natal Province – Full Service Centres and Computer Lab, Electrical Services, for Independent Development Trust (IDT) (Department of Education)	R 1.4m	2012
• River Walk Mall, Tiger Wheel & Tyre, Potchefstroom, Electrical, Mechanical & Fire Protection Services, for Metropolitan/Momentum Life	R 0.9m	2012
• Diepsloot Urban Development Framework, Electrical Services, for Johannesburg Development Agency (JDA)	R 2.6m	2011

Project Description	Value (Electrical or Mechanical Services)	Year Completed
• Kwaggastroom Train Station, Gauteng, Electrical, Mechanical & Fire Protection Services, for Intersite Property Management Services	R 6.8m	2011
• Upgrade of Kitchen and replacement of Kitchen Equipment and Mechanical & Electrical Infrastructure, Thaba Tshwane, for Precinct Facilities Management (Department of Public Works)	R 8.2m	2011
• 'The Boulevard' Restaurant and Kitchen, Electrical, Mechanical & Fire Protection Services, Transnet Freight Rail, Esselenpark, Kempton Park, for Transnet Capital Projects	R 2.0m	2010
• Renovations to 558 Flats in City of Tshwane, Electrical, Mechanical & Fire Protection Services, for Umnombo Consortium (Gauteng Department of Housing)	R 9.4m	2010
• MOTH Building Upgrade, Johannesburg CBD, Electrical, Mechanical & Fire Protection Services, for Johannesburg Development Agency (JDA)	R 1.9m	2010
• Renovations to Middelburg Hospital, Electrical Services, for BNM Technology (Mpumalanga Provincial Government Dept of Public Works)	R 4.7m	2009
• Rea Vaya BRT Bus Depot Dobsonville, Soweto, Electrical, Mechanical & Fire Protection Services, for Johannesburg Development Agency (JDA)	R 2.5m	2009
• Greater Ellis Park Development projects, Electrical Services, for Johannesburg Development Agency (JDA)	R 7.0m	2009
• Audit and Upgrade of 10 Metrorail Train Stations, Gauteng, for Intersite Property Management Services	R 2.0m	2009
• Detail Design and Drawings of Ermelo, Makriel and Geelhoutboom Substations for Eskom Northern Region	R 1.0m	2009
• Planet Fitness Gym, Village Walk, Sandton, Electrical Services, for Metropolitan Property Services	R 2.6m	2009
• Eastern Traders Market at Mabopane Metrorail Station, for Intersite Property Management Services	R 1.5m	2009
• Ngebulana Estate, Erf 63 Chartwell	R 2.0m	2009
• Survey of 7 Substations in Mpumalanga and Production of New Drawings for Eskom Northern Region	R 0.4m	2008
• Restitution of Electrical Network, Kwa-Thema for Ekurhuleni Metropolitan Municipality (White City & Highlands)	R 12.0m	2008
• Northern Region Metering Audit for Eskom	R 0.8m	2007
• Installation of New Standby Generators at Esselenpark Centre for Excellence, Kempton Park, for Transnet Projects	R 1.5m	2007
• South Court Building, Plumbing & Hot Water System, Esselenpark Centre for Excellence, Kempton Park, for Transnet Projects	R 1.1m	2007
• Limpopo Circuit Offices for Department of Education in Makobe, Malamulele, Schoonoord, Mamaila and Senwabarwana	R 3.25m	2007
• Chapman Road Medium Voltage Substation, Germiston, for Ekurhuleni Metropolitan Municipality	R 10.0m	2007

Project Description	Value (Electrical or Mechanical Services)	Year Completed
• Restitution of Electrical Network, Kwa-Thema for Ekurhuleni Metropolitan Municipality (Ext 6A, Deep Level, Overline, Mini Selcourt & Schartchat)	R 2.8m	2007
• New Standby Generators for Grinaker-LTA, Head Office, Jet Park	R 1.7m	2007
• Housing Development on Holdings 8 & 9 Broadacres	R 1.5m	2006
• Cross Trainer Retail Store, Air Conditioning & Fire Protection, Carlton Centre, Johannesburg for Propnet	R 0.1m	2005
• Villa Daniella Housing Development, Meyersdal, Alberton	R 0.6m	2005
• Housing Development on Erf 741 Bryanston	R 0.5m	2005
• Review and Update of Standard Specifications for MTN	R 0.15m	2005
• L.V. Reticulation to Petal Gardens, Alberton for Landmark	R 0.7m	2005
• Medium Voltage & Low Voltage Reticulation to Meyersdal Extension 12	R 1.0m	2005
• Nedcor Bank Headquarters, Air Conditioning, Sandton	R 30.0m *	
• Medium Voltage and Low Voltage Reticulation to JIA and to City Deep Industrial Development Zones for Blue IQ	R 12.0m *	
• Cradle of Humankind World Heritage Site, Mohale's Gate & Sterkfontein	R 11.0m *	
• Medium Voltage Reticulation to Supplier Park Development Company, Rosslyn for AIDC	R 9.0m *	
• Hotel Michelangelo, Sandton	R 7.0m *	
• Lighting to Nelson Mandela Bridge, Johannesburg for Blue IQ	R 7.0m *	

* Projects previously handled by the engineers while at another consulting firm
